### FOR IMMEDIATE RELEASE

**Aurora, Minn. (January 11, 2022)** - Steve Scheuring announced today the signing of Pro UTV and Pro 4 truck racer Kyle Chaney to spearhead the team's 2022 Champ Off Road campaign.

"Kyle is a first class racer that has the passion to win and we are very proud to partner with him. Kyle is one of the top UTV racers in the world and is nearing that status in the Pro 4 truck category as well," said Scheuring. We were the originators of the "super team" concept in professional snocross racing and are now carrying that successful model into the Champ Off Road arena."

Kyle has an incredible resume that includes Champ Off Road UTV Championships, countless UTV wins and multiple Pro 4 truck podiums. Chaney was also the King of the Hammers Champion last year in multiple classes, won the 12 hour TexPlex race this year and a Champion in the SxS series.

Kyle had this to say about the new partnership. "I am honored to be part of such a proven team. I look forward to this season and to help Scheuring Speed Sports continue their winning ways."

Veteran team member Elliott Burns will continue to pilot the number 8 Can-Am Pro Mod SxS, giving the team a one-two punch in that class.
